The amounts will be credited to Government, if they are not claimed for payment within 22nd November 1923.

B. D. NATH,
Ag. General Superintendent,
Generating Stations,
Sivasamudram.

MYSORE GEOLOGICAL DEPARTMENT.

Notification No. 711, dated 3rd November 1923.

SALE OF CHROME ORE.

It is hereby notified for general information that sealed tenders will be received up to 30th November 1923, at the office of the Director, Mysore Geological Department, for the purchase of Chrome Ore lying in stacks or heaps on certain abandoned prospecting blocks, etc., in the Mysore and Channarayapatna Taluks, as shown in the Schedule appended hereto.

2. The ore in each of the Taluks will be taken as a lot for the purpose of the tender.

3. The quantities mentioned in the schedule are only approximate and this Department does not undertake to give any guarantee in regard to either the quantity or the quality of the ores. It would therefore be advisable for the tenderers to ascertain the quantity and quality of the ores before submitting tenders therefor.

4. Each tender should be superscribed "Tender for the purchase of Chrome ore Mysore / Channarayapatna Taluk" and should be accompanied by a Treasury Receipt for a sum of Rs. 50 in respect of each lot tendered for, which should be paid into a Mysore Government Treasury as earnest money. On acceptance of any one of the tenders received, the earnest monies in the case of the rejected tenders will be refunded.

5. The tender should specify clearly the lump sum price offered for the lot and also it should be made in terms of a definite price per ton. A single tender may be made in respect of both the lots, but a deposit of Rs. 50 should be paid for each lot tendered for.

6. The final acceptance of any tender, in whole or in part, will rest with the Government who do not bind themselves to accept the highest or any tender or to assign any reasons therefor.

7. The removal of the ore by the successful tenderer shall be subject to the following conditions :—

(*i*) That he shall pay within 15 days from the date of acceptance of his tender the lump sum price offered by him or the lump sum calculated at the rate per ton offered by him in respect of the quantity of ore mentioned in the schedule hereto. In default, his tender will be treated as cancelled and his earnest money forfeited.

(*ii*) That the entire quantity of the ore should be removed within six months from the date of the execution of an agreement referred to in (ix) below.

(*iii*) Any balance of ore which may remain unremoved at the expiry of the period of six months above mentioned shall be forfeited to Government.

(*iv*) The Purchaser shall remove only the ore collected in stacks or heaps or lying loose at present and found in the area, particulars of which are set forth in the Schedule attached hereto, and of which authenticated plans will be furnished to him separately; and in no case shall he do any kind of mining work and remove fresh ore.

(*v*) The Purchaser shall not cut or injure any tree or forest growth on any private, occupied or unoccupied land in the course of operations for the removal of the ore purchased and shall abstain from all interference with public rights as to paths, tanks, sacred groves, etc.

(*vi*) The Purchaser shall be responsible for any injury or damage done to the forest growth or land on which the ore is lying either by himself, his agents, representatives or employees.

(*vii*) The Purchaser shall submit to the Director, Mysore Geological Department, regularly at the end of every month a statement showing the quantity of ore removed during each month, for statistical purposes.

(*viii*) Any infringement or violation of any one of the aforesaid terms and conditions of this Agreement, shall be seriously noticed and dealt with by Government and it is entirely left to their discretion either to impose such penalty as they may deem fit in addition to confiscating to Government the security deposit referred to below or to cancel this sale entirely. The decision of the Government in this behalf shall be final.

(*ix*) That he shall execute, within a week from the date of payment of the purchase consideration, an agreement embodying the above conditions relating to the removal of the ore.

(*x*) That he shall pay a sum of Rs. 100 to be held as security for the fulfilment of the terms of the Agreement. The earnest money paid by him for the tender will be adjusted towards the deposit.

Statement showing the quantity of Chrome ore at the disposal of Government offered for sale to the public.
